Dear Friend,

Palm Beach Harvest announces our first benefit dinner, “La Fete du Masque” as we celebrate our 12th anniversary in 2010, and we invite you to join us.

This year we will host our annual dinner and auction, “*La Fete du Masque*”, on March 25, 2010 at 6:00 p.m. This first annual dinner will present original art by artist *Sylvain Roberge*.

As executive Director, I am asking you to consider donating an item to be used in our silent auction for this year’s event. Your generous gift will be recognized during a media presentation at the event, elegantly displayed and recognized on our website. In addition, this is a great opportunity to provide invaluable direct exposure to local consumers who appreciate local businesses that support our community. Your donation assists in providing food to over 185,000 persons who go without one or more meals per month in Palm Beach County. The average age of the person who goes without food is age 9. Palm Beach Harvest rescues over two million pounds of food per year and shares it with over 100 non-profit agencies in Palm Beach County.

If you are able to make a donation, simply complete the enclosed form and mail it with the item to the address listed on the bottom of the form. If it is more convenient, we will be happy to pick up any items. Donor’s names and contributions will be acknowledged in the event program and recognized on Palm Beach Harvest’s website. Business cards and/or brochures may also be displayed at the auction table.

Thank you in advance for your participation in “*La Fete du Masque*”. Your support will make a positive difference and reduce hunger here in Palm Beach County. For assistance or more information, please call me at 561-310-6641.
